

Cheshire nuclear workers vote to strike

Nuclear workers in Cheshire have voted to strike in a dispute over pay.

Around 500 staff at the Urenco Nuclear site in Capenhurst voted for industrial action after pay talks broke down

Unions GMB, Unite and Prospect will now meet with members to discuss strike dates.

Albie McGuigan, GMB Organiser, said:

"These workers are understandably angry.

“Bosses are now five months behind the date they should have awarded staff a pay rise.

“Workers at Urenco have rejected the employer’s full and final offer and have now voted to take strike action.”
