Important Documentation For Civil Service Reps & Members

Posted on: 27 January 2021

The Civil Service have produced documentation on managing risk and staffing during the Covid Outbreak, and for assessing any return to work. All documents are live and subject to regular updates and review, so please check the date on them when using them for industrial negotiations:

The latest updated guidance for office working as of January for the civil service are available [here](#).

They include:

- **Guidance v 2.2**
 - Version Control
 - Annexes B – K and M
- **Clinical and Operational SOP (Department of Health & Social Care)**
 - Annexes 1–4
