#### GMB MEMBERS VOTE TO REJECT LOCAL GOVERNMENT PAY OFFER

+

#### Posted on: 5 May 2023

If negotiations aren't reopened GMB Union will move to industrial action ballots

GMB members across England, Wales & Northern Ireland have voted to reject the local Government pay offer.

A majority of 64 per cent voted to reject the offer of £1,925 - on a pro rata for part time and term time only workers - for 2023/24.

Unless negotiations are reopened, GMB will move to an industrial action ballot in some areas.

Sharon Wilde, GMB National Officer, said:

"GMB members across England, Wales & Northern Ireland have voted to reject the NJC pay offer for this year.

"We now call on the Local Government Association (LGA) to return to the table and make an improved offer that recognises the true value of our members working in our schools and across our councils.

"We will also be calling on central government to provide additional funding to allow employers and schools to pay more and invest in their workforce.

"If negotiations aren't reopened and a revised offer made, we will move to industrial action ballots in some areas."

#### LOCAL GOVERNMENT, COUNCIL & SCHOOLS BALLOT NOW OPEN!

ш

#### Posted on: 12 April 2023

NJC "Green Book" Noticeboard Page 2 of 16

In GMB only members have their say on pay and we now need you to take part in this important ballot and let us know if you are prepared to **accept** or **reject** the pay offer.

The closing date for the ballot is Friday 28th April 2023.

GMB joint Local Government and Schools Committee representatives have discussed the pay offer and believe that you are worth more than the current pay offer and are recommending that you vote to REJECT

A vote to reject, is also your vote in favour of industrial action as a next step in this campaign if there is no improvement to the current offer.

From school support staff to refuse workers, from town hall workers to social workers. Hundreds of occupations are covered by this pay offer. (Approximately 1 million workers plus are covered).

#### 2023/24 Local Government & Schools Pay offer is for one year and is as follows:

- With effect from 1 April 2023, an increase of £1,925 on all NJC pay points 2 43 (FTE).
  This equates to 9.42% for SCP2 and no less than 3.88% for SCP43. (This will be pro rata for part time and term time only workers).
- With effect from 1 April 2023, an increase of 3.88% on all allowances (as listed in the 2022 NJC pay agreement circular dated 1 November 2022)

The employers also responded to other elements of the pay claim as follows:

Union Claim	Employer Response
A review of the pay spine, including looking at the top end, and discussions about the link between how remuneration can be used to improve retention.	The Joint Secretaries will enter into exploratory 'without prejudice' informal discussions in order to map out the practical considerations of how and when the pay spine might be reviewed once the future policy direction of the National Living Wage has been confirmed.
A review and improvement of NJC terms for family leave and pay.	Agree to enter into discussions on the broader family leave and pay issues.  Also to incorporate into the National Agreement's Maternity Scheme, the statutory provisions that provide for an additional week's leave for each week a neonatal baby is in hospital, for up to 12 weeks, paid currently at the statutory rate of £156.66 per week (or 90% of earnings, if less).

NJC "Green Book" Noticeboard Page 3 of 16

A review of job evaluation outcomes for school staff whose day-to-day work includes working on Special Educational Needs (SEN).	Reject that outcomes are reviewed as these are matters for local determination.  They are aware that model profiles for school support staff roles are ten years old. They propose that the Job Evaluation Technical Working Group will conduct a review of all the 2013 profiles.
Consideration of a flat rate increase to hourly rates of pay in order to bring the minimum rate up to £15 per hour within two years.	Rejected.
Establish model role profiles for school support staff jobs, with advisory banding structures.	Rejected.
An additional day of annual leave for personal or well-being purposes.	Rejected.
A homeworking allowance for staff for whom it is a requirement to work from home.	Rejected.
A reduction in the working week by two hours.	Rejected.

GMB is now asking you to vote to accept or reject the pay offer.

GMBs Local Government & Schools Committees are recommending that you REJECT.

What happens next is up to you. We need all our members to have their say on pay. Make sure you get your ballot paper and vote. If you have not received your ballot paper, please contact your local GMB branch/office details at GMB Regions | GMB

Throughout this ballot we need you to help build bargaining power in your workplace so please do one or all of the following:

- 1. Once you have voted please encourage your work colleagues to cast their vote.
- 2. Become a GMB rep if you haven't got one in your workplace: **gmb.org.uk/become-workplace-representative**

## **WORKERS ON 23/24 PAY DEAL**

+

Posted on: 9 March 2023

## GMB TO BALLOT MORE THAN 100,000 LOCAL GOVERNMENT WORKERS ON 23/24 PAY DEAL

Workers including carers, school support staff, social workers, and refuse collectors will be recommended to reject the deal

GMB is set to ballot more than 100,000 local government workers after the NJC pay deal for 2023/24.

Workers including carers, school support staff, social workers, refuse collectors will be recommended to reject a flat rate proposed settlement from the local government employers.

GMB's Local Government Staff Council is recommending that members reject the offer after the Local Government Association (LGA) said that it was the last and final offer on the table.

If workers reject the deal in the ballot, which will run for six weeks from the end of March, GMB will move to a full strike vote.

#### Sharon Wilde, GMB National Officer, said:

"Simply put, this deal isn't enough to make up for a decade of austerity, followed by a cost-of-living crisis.

"In addition for many of GMB's part time workers, including over a hundred thousands school support staff, the part time nature of the role means their pay rise will be far less than the headline figures.

"In addition, several non-pay related demands from GMB were rejected by the LGA.

NJC "Green Book" Noticeboard Page 5 of 16

"Ultimately it's up for GMB members to decide, but that's why our local government and schools committees are recommending rejection."

Noticeboard Bulletin - 17-04-2020

4

Posted on: 17 April 2020

As you will be aware NJC trade unions have been in on-going pay talks with Local Government and School employers for some time and well before we moved into this unprecedented Coronavirus

pandemic.

Whilst GMB's priority has been to support all our members across Local Government and School through the pandemic we have continued to hold talks with the Local Government Association (LGA) on the pay claim trade union submitted last June 2019.

#### TO RECAP

The initial offer of 2% tabled by the employers a few months ago was rejected outright and the trade unions asked the employers to improve the offer. We also wrote to the employers as we moved into this pandemic:

#### Joint Union Letter to Naomi Cooke

Today (16/04/20) the LGA employers tabled their revised offer headlines of the offer are as follows:

- With effect from 1 April 2020, an increase of 2.75 per cent on all NJC pay points 1 and above
- With effect from 1 April 2020, an increase of one day to the minimum annual leave entitlement as set out at Part 2 Para 7.2 in the National Agreement. This increase would apply just to those employees whose leave entitlement at 1 April 2020 is twenty-one days (plus extra statutory and public holidays)
- An agreement that the Joint Secretaries should continue discussions on "a comprehensive joint national review of the workplace causes of stress and mental health"
- The National Employers have also proposed that the Joint Secretaries enter into discussions, without prejudice, in order to examine all options for ensuring the sector and the NJC pay spine can meet the challenge of the Government's target for the National Living Wage in the coming years.
- Employer side to make representations to government in order to seek funding for an additional amount to be awarded above the tabled 2.75% to employees in recognition of the exceptional hard work.

#### **GMB INITIAL RESPONSE**

The GMB alongside sister unions have responded to the offer expressing disappointment. Please see as follows:

- 1. Joint trade union response to LGA 16/04/20 Letter
- 1. Joint Union Press Release 160420 Press Release

#### In response to the offer

Rehana Azam, GMB National Secretary, said:

"We rejected the initial opening offer of 2% as it was woefully low - and that was before the seismic shift caused by coronavirus.

"Right now, our most precious resources are our key workers. They are getting us through this pandemic with their invaluable and selfless dedication in numerous critical roles.

That's why we are so disappointed the LGA hasn't made a strong enough case before tabling a 2.75% offer to government to fund a key workers allowance.

"The ask is simple; we want employers and the Government to recognise the strain and huge risks our members are working under. Many of them are struggling to access PPE and are still waiting for the coronavirus testing they have been promised.

"We will continue to make representations for the best settlement and let GMB members have their say on pay.

#### **NEXT STEPS**

In GMB our members always have a say on their pay so a full pay ballot for you to have a vote on the offer will follow but please note the next steps are as follows:

NJC "Green Book" Noticeboard Page 14 of 16

1. A full meeting of Senior Reps of the GMB Local Government	and Schools Committee's will take place
Monday 20th April 2020. The meeting will be held virtually.	

- 1. GMB members will be asked to support our efforts in pushing government to top the tabled 2.75% and details will emerge on how you can do this.
- 1. A timetable for the ballot will be worked out but we do not anticipate the ballot to open until we have exhausted the push to government to top up the 2.75.
- 1. We will continue to carry on with the pay negotiations on the areas that need further talks until we conclude to a final pay offer

#### CONCLUSION

GMB appreciates how difficult the current working environment our members are operating under and we will continue to ensure we make full representation on your pay. Once we reach a conclusion the final offer will be put to every member to a vote to have their say on pay.
