Union welcomes Labour Leader's 'New Chapter' speech

GMB has welcomed Keir Starmer's vision for an 'active Labour government' outlined today in the Labour leader's landmark speech.

Responding to Keir Starmer's speech today, Warren Kenny, Acting General Secretary said:

"Covid-19 has shown us not only who the key workers of this country are, but the fragilities and fault lines of our public services that have been underfunded and sold off for more than a decade.

“Today, Keir Starmer started to set out the positive difference that an active Labour Government under his leadership as Prime Minister can make.”
