

Urgent answers needed on Rolls Royce jobs

GMB has today called on manufacturing giant Rolls Royce to provide urgent clarity on media reports of potential job losses at the company.

This intervention comes as consultants have reportedly been commissioned by the company to advise on organisational restructuring.

Lesley Waudby, GMB Senior Organiser, said:

“Press reports about job losses create huge anxiety for our members.

“Urgent answers are needed about the reports, and we’re calling on Rolls Royce to do the right thing by it’s dedicated workforce and provide clarity”.
