GMB RESPONDS TO WALES PUBLIC SECTOR AWARD

GMB has responded to the Wales public sector pay award, announced today [Monday].

Tom Hoyles, GMB Senior Organiser, said:

"To see First Minister Eluned prioritising a pay deal for public services so early in her tenure is a great sign.

"The only way to get our economy growing is to put money in working peoples pockets.

"It's important to us that both Labour Government's continue to make that a priority.

"We'll now put the deal to our members, who will have the final say."
