

GMB reacts to PM's Labour Conference speech

Gary Smith, GMB General Secretary, said:

"I genuinely believe Keir Starmer and his Government get working people and the need to bring back opportunities.

"He offered a positive vision of the future and a country we can be proud of.

"The Tories left our carers wearing bin bags as PPE. Keir Starmer shows under labour they will get the respect they deserve.

"GMB members will be very encouraged by what they just heard.

"There is so much to be hopeful about."
