

Amazon's reputation 'on the floor' on Black Friday

GMB Union, representing workers across Amazon's UK operations, has today [Black Friday 28 November 2025] commented on the company's workers rights record.

Amanda Gearing, GMB Senior Organiser, said:

"Amazon's reputation is on the floor this Black Friday.

"It's been a year of revelations about dire working conditions faced by UK Amazon workers, with [Amazon's own managers calling out conditions faced by staff](#).

"We value our rights here in the UK, it's no wonder Amazon staff are joining a union in their droves".
