

# Amazon job cuts 'show company for what it is'

GMB union has responded to Amazon announcing 16,000 job cuts

**Rachel Fagan, GMB Organiser, said:**

“Amazon is showing itself for what it is; a company that cannot be trusted to do the right thing by working people in the UK.

“Bosses are overseeing thousands of job losses which will cause huge damage in towns and cities across the country.

“Now is the time for decision makers to recognise Amazon as a company fixated on eye-watering profits at the expense of workers and local people.”
