

# Bentley to cut 150 jobs

Luxury car-maker **Bentley is to cut 150 jobs at its Crewe plant.**

The car-maker made the announcement earlier today [Tuesday] citing a 40 per cent drop in profits.

**Karen Lewis, GMB Organiser said:**

"These cuts have come out of the blue and the workforce is stunned.

"Trump's tariff's have hit Bentley hard and the company is still feeling the affects of the covid lockdown.

"GMB will stand side by side with members in Bentley to ensure the minimum redundancies and the maximum pay outs."
