

# Govt support for ceramics 'hugely welcome'

GMB Union, representing workers across the ceramics and chemicals industries, has welcomed the Government's announcement today [Thursday] of new package of support for the sectors.

**Charlotte Brumpton-Childs, GMB National Secretary, said:**

"GMB has been calling for the Government to step up support for energy intensive industry.

"This is a hugely welcome step in the right direction and will be reassurance to workers in our chemicals and ceramics industry that Government is finally listening."
