

#SickofSSP

To _____ (employer name),

As Care sector workers, we know that when our colleagues don't have paid sick days, they stay sick longer, we are more likely to get sick and we make our residents sick.

No Sick Pay means unhealthy workplaces. We're Sick Of Statutory Sick Pay.

This petition will be delivered to the employer as Sick Pay should be a right that every care sector worker should have access to, but it can only happen if all workers get behind the campaign. Your personal information will be kept private and held securely. Please contact GMB Union for further support before beginning your campaign.
