

**Everyone is entitled to
Personal Protective
Equipment (PPE) that fits &
keeps them safe at work.**

U N I O N

Many don't get the PPE they need.

Protective equipment keeps us safe, stopping us getting injured or being exposed to hazardous materials or diseases. GMB Reps are coming together to make sure we're all protected, not matter our gender, ethnicity or industry.

**GMB is campaigning for PPE fit for all. Tell us
about your experience and be part of the
change.**
