

## Rep Resources Hub

05 Oct 2020

---

**GMB is standing up for our members to ensure they get a fair deal at work. And without you - our army of Workplace Representatives - we wouldn't be able to do it.**

To support you we've put together this Rep Resources Hub with a whole host of information, guides and other resources to help you in helping our members.

If you have any questions get in touch with your Branch Secretary or Regional Organiser.
