

Get more involved in GMB

02 Nov 2020

With over 600,000 members working in thousands of workplaces across the UK, GMB ensures that every member gets a voice at work through our 10,000 army of workplace representatives.

GMB Reps get more involved in many different ways. But in the main it boils down to three things:

1. Helping to build a strong, effective union in the workplace.
2. Helping members get their workplace problems sorted out.
3. Keeping GMB members informed of what's going on and passing information back to GMB.
