

Have your say on your pay posters and social media graphics

03 Mar 2021

We're campaigning for Pay Justice Now and if we're going to be successful we need to make our voices heard loud and clear.

If you're backing the campaign then show your support by sharing some of the posters and graphics on this page with your colleagues to remind them to get involved and have their say on their pay.

Whether you want to post them on your social media, print them out and display them in your workplace or stick them on your car - do whatever you can to get the message out.

Scroll down this page and click the buttons below each image to save the posters or graphics.
