11 Mar 2021

JCB have announced the closure of their Lifepan pension scheme, affecting 1,100 employees.

GMB Union is consulting with its members on available options.

Stuart Harrison, Regional Organiser said:

“This is a tragic decision that will affect 1,100 workers.

“These are dedicated workers who’ve toiled for many years to make the business what it is today.

“We will be balloting our members on future courses of action.”
