

Your union in **Amazon**

29 Mar 2021

We're proud to fight for Amazon workers across the country. Amazon Associates know how hard it is to work for Amazon and GMB is campaigning for better.

GMB is calling for negotiated pay and benefits, health and safety in the workplace and dignity and respect for all Amazon workers.

On this page you'll be able to find all the latest information about our campaign in Amazon - with guidance and resources for our members as well as actions for supporters to boost the campaign.

We recommend bookmarking this page so you can quickly come back to see updates.
