GMB working for members

"GMB are always at the end of the phone if I have a problem"

I joined the GMB 2 years ago and membership fees are money well spent.

What is a trade union?

"I joined because GMB will always support you."

"Having support brings comfort and reassurance"

"Our men voice at v

A trade union is an organisation made up of employees who join together to preserve and progress their conditions of employment.

By working collectively, and through a trade union, employees of a company can bargain for better pay and terms and conditions for all workers. They will always support you and help carers get the recognition that they deserve. Being part of GMB for so many years has been very beneficial to me.

I love ensuring members have a voice and standing when I see

A trade union campaigns for better circumstances for its members and also provides individual assistance and services to their members around legal support and workplace advice.

More than six million people in the UK belong to a trade union.
