What is a trade union?

**"If you don't know your
rights, you have no
rights"**

**"I am happy that I joined
GMB Union"**

A trade union is an organisation made up of employees who join together to preserve and progress their conditions of employment.

**"I want to thank the GMB
Union for their quick reaction to
my holiday pay claim"**

By working collectively, and through a trade union, employees of a company can bargain for better pay and terms and conditions for all workers.

**"Don't fight alone, join the
GMB Union we all stand
together for our rights."**

A trade union campaigns for better circumstances for its members and also provides individual assistance and services to their members around legal support and workplace advice.

More than six million people in the UK belong to a trade union.
