

## for Uber drivers

29 Jun 2021

---

**GMB member drivers now have a strong voice in Uber and the industry - together we make work better.**

GMB members fought for Uber drivers rights. GMB union took companies who were exploiting drivers to court and won because of union power.

GMB Union have years of experience of dealing with local licensing officers and local licensing committees.

GMB's team of Regional Organisers and Reps have had huge success in reactivation of GMB member drivers' Uber accounts, we help make work more secure.

**GMB is helping to grow a movement of organised working people just like you, so that through collectivism, you will have a strong voice and a say in your industry.**

**Work for Uber? **Not a GMB member?****

**We're stronger when there are more of us.**

**Encourage your fellow Uber colleagues to join by sending a message on WhatsApp**

**"If you don't know your rights, you have no rights"**

**"Don't fight alone, join the GMB union we all stand together for our rights."**
