Barbara Plant

GMB National President

Hello and welcome to my blog!

I'm Barbara Plant, National President of GMB.

I've held the post since Summer 2018 when I was elected by delegates at GMB Congress in Brighton.

My background is as a teaching assistant in Lewisham, South London.

I've been a GMB member for more than 20 years and a GMB activist for most of that time.

As well as an Education Convenor for the London Borough of Lewisham, I proudly served as Chair of GMB National Schools Committee and on Southern Region Equality Forum. ?

As President, I am still a member of Southern Regional Committee and the Central Executive Committee (CEC).

On this page you can find all of my latest blog posts and stay in touch 😊
