## Welcome to the first GMB C40 care branch newsletter!

We would like to regularly inform all of our members about what the GMB C40 branch is doing and any events that are being held.

We would also love to hear back from you if you have any feedback, comments or just want to chat to someone.

## Your invite to the GMB carers celebration picnic!

**When:** Wednesday 31st August from 11am

**Where:** Priory Park, Dudley

We have our annual prize giving picnic coming up. You should have received an invite, if not you will soon. This will be at Priory Park in Dudley on August 31st and the event is free. Lunch is included, please bring your family and most importantly, vote for each other.

There will also be entertainment and face painting. Officers and Reps will be available to chat with and its a great way to meet each other and other members.
